Temporary Lane Closures for the 16th Street NW Bus Lanes Project March 7, 2022 through March 18, 2022

(Washington, DC)—The District Department of Transportation (DDOT) is advising all stakeholders to expect continued traffic pattern changes along northbound and southbound 16th Street NW (from Arkansas Avenue to K Street) as a part of the 16th Street NW Bus Lanes project. The following construction activities and lane closures will take place from March 7 – March 18, weather permitting:

- **16th Street NW from Arkansas Avenue NW to Irving Street NW** – There will be intermittent lane closures from Arkansas Avenue NW to Irving Street NW to install blankout cabinets and signage. Pedestrian channelizers and signage will be installed to safely guide pedestrians around the work zone.

Traffic controls, including signage, will be in place to guide motorists and pedestrians safely through work zones. All users of the roadway are advised to stay alert and be observant of signage and work zones while traveling in this area.

Once completed, the 16th Street NW Bus Lanes project will improve the performance and reliability of bus routes and pedestrian access along 16th Street NW from Arkansas Avenue NW to H Street NW.

For more information about the 16th Street NW Bus Lanes project and to stay up to date on traffic related impacts and construction progress, please visit www.16thstreetnwbus.com.

###

The mission of the District Department of Transportation (DDOT) is to enhance the quality of life for District residents and visitors by ensuring that people, goods, and information move efficiently and safely with minimal adverse impact on residents and the environment.
